- Close to 12,000 employees in 18 states and the District of Columbia
- More than 4,300 (36%) employees at corporate headquarters in Oklahoma City
- Nearly 64% are NOT working on or near the OKC campus
ENVIRONMENT - 2009

- Wellness was already a priority at CHK, with significant support from management
- Base of trust had been established
- Community was seeing increases in suicide rates
- CEO asked: If our community and nation are having difficulty, what are our employees going through?
FIRST STEPS

- Met with community leaders for direction
- Reviewed current mental health benefits, with an eye toward mental health parity
- Recognized we needed to strengthen our EAP and communicate the benefit more
EAP AS A PARTNER

- New EAP selected
- EAP program expanded – from three visits per person per year to six visits per person, per issue per year
- Added additional EAP services
  - Legal
  - Financial
  - Family services (e.g. child care/elder care location)
- Moved beyond inbound services
  - Pharmacy management program outreach
  - Health risk assessment outreach
Crafted a campaign to educate employees and reduce stigma

- Launched January, 2010
  - CEO video

- Video vignettes offered “just like me” testimonials alongside experts providing information on important mental health topics

- Call to action – encourages EAP use
